FRIDAY 18TH NOVEMBER IS A MUFTI / NON- UNIFORM) DAY

(SEE BELOW FOR DETAILS)

ANTI-BULLYING WEEK – ODD SOCKS DAY ON MONDAY 14TH NOVEMBER

Next week we will be celebrating anti-bullying week in school. This year's theme is 'reaching out' and we will be thinking about how we can help and who we can talk to if we are worried about bullying. To start the week, we are encouraging the children to come to school in odd socks as we are all different and that is great! Keep your eyes peeled on the front of the school to see the display from our week's work.

READING CHALLENGE – YEARS 1 to 6

This week, in our Key Stage 1 and 2 assemblies we launched our Winton reading challenge.

There are 6 exciting reading challenges to complete and the activities are listed on your child's reading challenge card. These tasks can be completed in any order. Every time your child completes a reading challenge, they will receive a reading token. If they complete all 6 then they will get 4 bonus tickets!

The tokens will go into a raffle draw and a name will be randomly selected from each year group to win one of the prizes. The prizes have been suggested by pupils and include a £50 voucher for a prize of their choice, such as an Amazon, Smyths, or JD sports voucher. Perhaps they'd prefer a Lego set or a voucher for an attraction such as the cinema or Splashdown?

Please look out for the challenge cards and support your child to complete the activities. The closing date for the reading competition is Monday 9th January. Good luck!

MUFTI / NON-UNIFORM DAY – FRIDAY 18TH NOVEMBER

As a school, we are keen to support Children in Need this year so we will be having a non-uniform **mufti day on Friday 18th of November** where the proceeds will be split between Children in Need and our chosen charity for this year, The Dorset and Somerset Air Ambulance.

Parents are asked to make a suggested donation of £1 per child for wearing their own clothes to school on this date. Payments are open on ParentMail – simply login to your ParentMail account, go to Payments and then Shop where you will see the Payment Item 'Mufti Day – Friday November 18th'. Here you can either donate £1 or change it to an amount of your choice.

HOUSE COMPETITION RESULTS AND NEW COMPETITION FOR NEXT WEEK!

This week we announced the results of the Daily Mile House Competition and as you can see below, this has turned the current leader board on its head!

All daily mile laps completed earned the runner a point and the house with the most house points took the top prize. First prize of 200 points went to **Green** house, second place with 150 points was **Blue** house, third prize of 100 points was awarded to **Yellow** house and **Red** house took fourth place with 50 points.

Next week's competition will already be familiar to the children in school. At lunchtime, children are encouraged to eat their lunch and those who have made a good effort with their eating get a raffle ticket which gives them a chance at winning a prize in the end of week Celebration Assembly. Next week, this becomes the latest house competition and children will also get a house point with their raffle tickets! Will this make a big difference to the scores? Watch this space to find out!

PE UPDATE

Cross Country

Before half term, Winton Primary took part in the first of three cross country. 36 children from Years 4, 5 and 6 represented the school around the 1 mile course and there were some brilliant displays of fitness, stamina, determination and competitiveness.

There were 16 schools represented at the first event and the scores are totalled up each school. After the first race the Year 5 team were in 2nd place behind St Katherines, and the Year 6 team in 2nd place behind Avonwood.

There were some notable individual performances from our Year 5 and 6 children:

Year 5: Benji 1st, Eva 3rd, Hugo 10th and Henry 15th

Year 6: Daniel 3rd, Nevaeh 8th, Connor 11th and Florence 15th

Year 6 Football

Last week, the Year 6 football team travelled to Littledown for their first tournament.

The children were excited to get out onto the pitch and showcase their skills. In the group stage the team finished second with a win, 2 draws and a loss.

Lessons were learned about tracking back to support the defence when the ball is lost but we were full of confidence going into the second round.

The team started the second round with a strong

performance and won 3-0, we finished the afternoon with another win and a draw. Adults from other schools were acknowledging how supportive players in the team were of each other and there was great sportsmanship shown by all players during the matches towards the opposition and the referees. Well done Winton!

TIMES TABLES ROCK STARS – ENGLAND ROCKS!

Times Table Rock Stars are hosting an 'England Rocks' competition from Monday 14th to Wednesday 16th November. This enables Key Stage 2 children at Winton Primary School to compete with children across the country! Children can earn points for the school by competing in any type of game ('Garage', 'Studio' and 'Rockslam' etc.) for up to one hour per day. Their scores are then combined with the other children's scores in their class as we compete at a national level. There are exciting prizes to be won – best of luck Key Stage 2!

SCHOOL NURSING TEAM – PARENTLINE 5-19

We are delighted to announce that there is now a confidential text messaging service to parents and carers of children and young people aged between 5 and 19. This service is called ParentLine 5-19 and parents will be able to gain advice from a member of the School Nursing team via text message for topics such as Development, Healthy Eating, Weight Management, Behaviour Management, Emotional Health and Wellbeing, Toileting, Sleep and more.

How it works:

- Parent sends a text message to the ParentLine 5-19 number **07312 263131** and an automated reply confirms the message has been received.
- A trained healthcare professional from the School Nursing team will respond to the message between 9am and 4pm Monday to Friday (excluding weekends, bank holidays and School Holidays) within 24 working hours.
- Please be advised this should not be used as an emergency service - urgent help should be sought from an NHS walk-in centre or call NHS 111, or in an emergency, dial 999 or go to A&E.

WE REMEMBER – WINTON’S POPPY PROJECT

The ceramic poppies you may have seen on display at Charminster Library were produced by Year 5 & 6 pupils as part of a community project called We Remember. The project was part funded by the Cultural Hub, a collective of schools and creative partners in Bournemouth.

The children attended workshops run by local ceramicist Maisie Jones from The Touring Potter. As well as the traditional red poppies, which remind us of members of the armed forces that sacrificed themselves during wars and conflicts, there are also purple poppies to remember animals that have died in service of the country and white poppies, that remember all victims of war and stands as a commitment to ongoing peace. As well as Winton, children from St Katharine’s and St Luke’s primary schools have also made poppies and, with the help of Louise Jones, Libraries Literacy Officer at BCP council, have also been able to display their work in their local libraries. A very big thank you to everyone involved who helped make this project possible.

CHILDREN OF ACHIEVEMENT

During half term, Braelyn and Hollie in 4NH took part in The Weymouth Dance Festival representing their dance school. They danced beautifully and only just missed out on third place by one point in their classical ballet duet. The next morning Braelyn competed with her tap solo and won first place. What a fantastic achievement girls! Keep up the good work!
