CURRENT HOUSE POINTS TOTAL:

1 ST	2 ND	3 RD	4 TH
2051	2050	1930	1898

This week the children have been busy collecting tokens for their lunchtime achievements. The House captains have been in the hall every lunch time, encouraging children to eat their lunches to get a house point for their colour. Scores up to Wednesday stand as...

Blue- 88, Red - 133, Green - 79, Yellow - 108.

Don't forget our cake sale as our next house competition. Bring your cake, labelled with your house colour, to school on Monday 20th March and take it to your classroom. The cakes will be sold at the end of the day on the playground: £3 for large cakes, £2 for tray bakes, and 50p for slices of cake or cupcakes. We can't wait to see your creations, and see which house raises the most money for our school charity The Dorset & Somerset Air Ambulance.

BIG WALK AND WHEEL – STARTING MONDAY 20TH MARCH

On each day of the challenge, schools compete to see who can record the greatest proportion of pupils travelling actively to school. A school's best five days counts towards their overall position which means we won't lose out because of the Inset day on 31st March! Each morning, the teacher will ask each child how

they travelled to school that day and each active journey is logged. New this year is an interactive whiteboard app that allows children to log their own active journeys by touching the relevant icon on the screen!

If over 15% of pupils walk, scoot or cycle their journey, the school will be entered into a daily prize draw for rewards including equipment and accessories.

[Sustrans Big Walk and Wheel](#) inspires pupils to make active journeys to school, to improve air quality in their neighbourhood and discover how these changes benefit their world.

REMINDER – DR BIKE ON THURSDAY 16TH AND FRIDAY 24TH MARCH

Dr Bike will be in school on these dates to provide free bike checks for the bikes of you and your children. Simply ride your bike to school that day and leave it unlocked at the bike shelter through the top garage gates by the music room.

PLEA FROM THE PE AND SITE TEAMS - PLEASE KEEP TRAINERS IN SCHOOL!

Please make sure that all children keep a pair of named trainers in a named bag in school throughout the term.

If they have an after-school club and wear their trainers home, they must bring them back into school the next day. Children should wear their school shoes to school on their PE days.

Children will take part in PE and the daily mile in all but the worst weather. After the recent wet weather the field is muddy so it is important that children have indoor shoes to change into after being outside. Please help us to keep our school as clean as we can!

PE DAILY MILE UPDATE

We are thrilled to have yet more children who have completed their first marathon distance on the daily mile track! Our marathon runners are Daniel 6HP, Amelie 4NH, Arthur 4NH, Chloe G 4NH and Lottie 4NH. Lucas in 4LC shows great stamina and fitness every time he is out on the daily mile track and has become the first child in the school to run 300 laps of the track this year, the equivalent of TWO marathons! Well done!

BCP COUNCIL JOB VACANCY

SCHOOL ADMISSIONS APPEALS - APPOINTMENT OF INDEPENDENT PANEL MEMBERS

Do you like to make a difference? Are you a decision maker? Have you got time to spare? If so, why not consider giving some of your time to hearing School Admission Appeals?

Parents/guardians have the right to lodge an appeal when the Local Authority or Governing Body of a School / Academy has refused an application to admit a child. BCP Council are responsible for arranging Independent Appeals Panels to hear these appeals for maintained schools and also arrange appeals for the majority of Academies, Foundation Schools and VA Schools across the Bournemouth, Poole and Christchurch area under Service Level Agreements.

Appeals are heard by a Panel of trained volunteers, who are supported by an independent clerk and where necessary, Legal Services.

BCP are now looking for new volunteers to join those who already make a valuable contribution to the appeals service, to sit as lay members and also members with experience in education.

Full training will be provided. Travel and subsistence expenses are also paid, as well as reimbursement of any child care costs.

Eligible applicants must have excellent command of written and spoken English and must not be employees of BCP Council.

Applications are welcomed from teachers, teaching assistants, Governors, other education volunteers and also people who have no personal experience in the management or provision of education in any school.

For more information and to make an application, please visit: <https://jobs.bcpCouncil.gov.uk/charity-work-volunteers-non-council-vacancy-independent-panel-members-school-appeals/22202.job>
