

TO USE ALGEBRA			
	Milestone 1	Milestone 2	Milestone 3
Use algebra	<ul style="list-style-type: none"> Solve addition and subtraction problems involving missing numbers. 	<ul style="list-style-type: none"> Solve addition and subtraction, multiplication and division problems that involve missing numbers, including positive integer scaling problems and correspondence problems in which n objects are connected to m objects. Solve addition and subtraction, multiplication and division problems that involve missing numbers. 	<ul style="list-style-type: none"> Use simple formulae. Generate and describe linear number sequences. Express missing number problems algebraically. Find pairs of numbers that satisfy an equation with two unknowns. Enumerate possibilities of combinations of two variables.

In bold - National curriculum objectives for the year group.

In blue - Ready-to-progress criteria identified as the most important conceptual knowledge and understanding that pupils need as they progress to the next year's curriculum.
