CORONATION BANK HOLIDAY – MONDAY 8TH MAY - SCHOOL IS CLOSED

KING CHARLES III CORONATION

This week in school, children have had assemblies focussed on explaining the Coronation and understanding the ceremony and what will happen at the weekend. Do test your child's knowledge and see if they can teach you something you didn't know! We also had a Coronation lunch today with the whole school singing our Coronation song beforehand. The PFA have provided a commemorative badge and the Mayor a bookmark for every child in school that they will have brought home this evening.

YEAR 6 SATs

Next week Year 6 children will sit statutory tests and staff will support them to make this as stress free as possible and allow children to show off everything they have learnt during their time in primary school. Our message to the children is very much focussed on ensuring they have the opportunity to show what they can do. We know the tests only cover a small part of the curriculum they learn at school. Equally their ability in these areas is only a small part of the young people they are and the many talents they have individually and as a cohort. They will be able to enjoy breakfast in school each day and we hope this will provide them with a positive and exciting start to each day through the week.
