PICK UP AND DROP OFF

This week BCP added some yellow lines onto Oswald Road to protect the cycle route that goes up the road. This has an obvious impact on the amount of parking available at pick up and drop off. It seems a good time to remind everyone that we ask that you do not drive down Oswald Road or park in Oswald Road or the school car park unless you need disabled access. Generally, the school run is quicker and less stressful if you park in the surrounding area, such as at Redhill, and walk the last part of your journey. As well as being quicker it allows for a healthier and more social start to the children's day. We hope those children who can walk, scoot or cycle to school already do but if you live further away and have to drive, please do park and stride the last part of your journey!

RED ARROWS AND BCP COMPETITION

BCP Council recently ran a Red Arrows Primary STEM (Science, Technology, Engineering & Maths) competition where children were asked to design a paper aeroplane. We are delighted to announce that from thousands of entries, one of our pupils was chosen as one of the 6 winners! The winning entries will be featured at this year's Air Festival. The Red Arrows team will meet the winners there and many entries will be displayed on the East Cliff at the STEM exhibition.

Our winner was Dylan whose entry was picked because of its imagination, innovation and the creativity of design. The

judges liked the effort, passion and enthusiasm that Dylan showed for the project. His support from his teacher to encourage his interest in aviation and STEM subjects was commendable in its own right.

Dylan's teacher Mrs Stone said 'Dylan's design includes the Red Arrows flying in formation and his school name proudly on the side. Flying through the air in our courtyard, the colours pop in the sunlight. He is so proud of his design and wanted you all to see it; he has a passion for planes, flying and the Red Arrows team and was excited about the prospect of meeting them. The team inspire him to be a pilot in the future so he didn't want to miss this opportunity! As Dylan's teacher, I couldn't be prouder of his dedication and hard work on the design and creation of his aeroplane – making multiple when he didn't feel it was good enough! I hope that one day he will achieve his dream of being a pilot.'

CHILDREN OF ACHIEVEMENT

- * Bethan in 5EH has been successful in passing her Grade 1 piano award.
- * Last weekend, Jessica 3DP, Harper 2KL, Llana 3DP and Holly 4LC all took part in Chance to Dance at the Pavilion. It's an annual celebration of dance in Dorset and gives local dance schools an opportunity to perform. The girls have all been practising so hard since September; well done!
- * Sebby in 4OH was awarded his 800m swimming certificate this week. He has been practising for weeks and even though he found it incredibly tough, he persevered and completed this amazing achievement!
