ANTI BULLYING WEEK

It has been an exciting anti-bullying week at Winton. We launched the week by celebrating Odd Sock Day which is a day that celebrates us all being unique and different.

On Tuesday, our new ABC's (Anti Bullying Champions) visited each class, introducing themselves and talking to them about what bullying is and what they should do if they are worried about it. They also spoke about what their role will be on the playground and where to find them if they are worried about friendships or bullying.

Each class came up with their own definition of bullying and who they should talk to if they were worried. Here are examples from what children in each year group said:

<i>Cherry</i>	<i>Bullying is when someone is mean and rude and unkind</i>
<i>1LM</i>	<i>When someone is being unkind to someone lots.</i>
<i>2KL</i>	<i>It means you have been doing something unkind to someone all the time</i>
<i>3BW</i>	<i>Being unkind to someone (with words, actions or both) over and over again, and continuing even when being asked to stop</i>
<i>4DW</i>	<i>Someone who is mean (name calling, saying unkind words, excluding them from games) to another person on multiple occasions</i>
<i>5HE</i>	<i>Someone who is hurting someone mentally or physically, frequently</i>
<i>6MS</i>	<i>Repetitive unkindness to a particular person or group</i>

It was also great to hear that every class knew who to talk to if they were worried. All classes spoke about telling a trusted adult.

Going forward, our ABC's will be talking to each class each half term to remind others about being kind and they will also be on duty each playtime. They will also use this opportunity to gather pupils' views from around the school.
