BREAKING

NEWS

Each year, Bournemouth in Bloom invites the schools in the BCP area to enter the Schools' Gardening Competition and many participate. This year the theme of the competition was to create a Sensory Garden and since we have finished in the top three in the last three years, we had our fingers crossed hoping for another podium finish.

Since the start of the year, Mr Keeley has been working with a variety of year groups to turn the courtyard garden into a sensory garden to be proud of! We have an amazing selection of herbs to smell and taste, some very unusual and unique plants to touch and see, plus a variety of interesting grasses

that sound amazing when they move in the wind. Our fruit selection is heading for a bumper year too with

our raspberries, golden raspberries, pears and currants all bursting at the seams!!

The Bournemouth in Bloom ceremony was held at the Kinson Community Centre on Wednesday and lots of schools from the BCP area were there to see if they had won the coveted prize. There were primary schools, pre-schools and secondary schools all in attendance and some remarkable gardens had been

created especially for the competition. We are very proud to

announce that for the first time since the competition started, Winton Primary School won 1st prize! On behalf of the whole school, Mr Keeley collected the shield, blue plague and certificate from the Deputy Mayor Cllr George Farquhar.

Well done to everyone who planted bulbs and seeds, watered the gardens, picked raspberries or designed signs.

This award would not have been possible without the enthusiasm,

dedication, knowledge, hard work and creativity of our wonderful Outdoor Lead, Mr Keeley. Thank you!

END OF YEAR HOUSE NEWS

Last half term, the children were asked to vote for their preferred house treat. We're excited to announce that the votes have been counted, and the most popular choice was a kids' assault course!

The pictured inflatable will be arriving on the school field on Wednesday 16th July, for the winning house team to enjoy.

In addition to the points earned during Sports Day and when children receive certificates, there are also extra activities available during school time for earning house points this year.

WC 30th June – Penalty Shoot Out Children will get the chance to try and score a goal against a teacher! Each goal scored equals a house point.

WC 7th July – Track Time

Children will get the chance to earn a house point every time they run around the daily mile track (look out for the advertised lunchtime sessions at school).

The two Sports Days that have already taken place have led to a change in the table. As you will see, Yellow house won both events and this has pushed them up from last place, to second!

Northbourne Maintenance Works

We are writing to update you about upcoming maintenance works in Northbourne, which will consist of one kilometre of road resurfacing on the A341 Wimborne Road between Ferncroft Road and Northbourne roundabout. Work will commence on 4th July and is anticipated to last

until 18th July. To facilitate safe working, Wimborne Road will be closed to vehicular traffic in both directions between East Howe Lane and Northbourne roundabout. This closure will be in place for 24 hours each day during this period.

The following junctions with Wimborne Road will also be closed between 4th and 18th July - residents will need to use alternative exits from these roads during this time, where they are available:

- Ferncroft Road
- Ashridge Avenue
- Pinewood Avenue
- Avebury Avenue

- Northbourne Avenue
- New Road / Old Vicarage Close

Gracie Mews

Please note that this is not a standard resurfacing scheme. The works involve deep excavation and recycling of the existing road base to improve the long-term durability and performance of the carriageway. This process is more intensive and will result in greater disruption than a typical 2 resurfacing project. Pedestrian access will be maintained on the footway; however it is advised that pedestrians use the footway on the southern side of Wimborne Road and use the dedicated crossing points when they need to access properties on the northern side of Wimborne Road. Cyclists may on occasion need to dismount and use the footway.

The following diversion routes will be in place during the closure period.

For vehicles wishing to travel eastbound, the diversion will reroute vehicles south at Bear Cross roundabout along Ringwood Road, east along Wallisdown Road, and then north up Boundary Road, Redhill Avenue and Whitelegg Way.

For vehicles wishing to travel westbound, the diversion will reroute vehicles east at Northbourne roundabout along Whitelegg Way, south at Redhill roundabout along Redhill Avenue and Boundary Road, west along Wallisdown Road and north along Ringwood Road, with vehicles being directed onto Wimborne Road at Bear Cross roundabout. Further details about these works are available at www.bcpcouncil.gov.uk/redhill
