Dear Parents and Carers

Welcome back! I hope you have had a wonderful summer holiday and enjoyed some of the superb weather we have experienced.

The last two days with the children in school have been a real pleasure. Your children are fantastic. They have returned with smiles on their faces, a positive attitude and a genuine enthusiasm for learning. The year ahead will be packed with exciting opportunities and memorable experiences, while continuing to ensure that every child masters the essential skills of reading, writing and mathematics.

Winton Primary is a school with much to celebrate. Our children achieve excellent outcomes, and the care, commitment and professionalism of our staff are evident in all that they do. As Headteacher, I am delighted to be joining a school with such strong foundations and high aspirations.

Our mission is to inspire, motivate and challenge all children so that they become confident, caring, respected citizens and lifelong learners. We achieve this most effectively through a strong partnership between home and school. By maintaining high expectations, supporting one another and keeping the needs of children at the centre of our decisions, we can ensure that every child at Winton Primary thrives.

On Tuesday and Wednesday, staff spent two days preparing for the year ahead. Alongside curriculum planning and professional development, we spent time reflecting on how we continue to strengthen our school culture and provide the very best experience for every child. The staff team is deeply committed to building positive relationships with pupils and creating an environment in which children feel safe, valued and ready to succeed. We never underestimate the importance of children having a sense of belonging and knowing that they matter to us.

I am excited to begin my first term at Winton Primary and one of my priorities is to get to know our community. I look forward to meeting many of you over the coming weeks and months, celebrating what we do well and listening carefully to your ideas about how we can continue to develop and improve. Schools are at their strongest when families, children and staff collaborate so I am enthused by what we can achieve together.

Thank you for your support and for the warm welcome. I wish you and your families a happy and successful term ahead.

Yours sincerely

Mr S Fuller - Headteacher
